As a proud father to my two sons, Noah and Ezra, I understand the value of family, love, and the moments that truly matter. I began my journey in wedding photography and videography in Queensburgh, KZN, and now proudly reside in Waterfall. With 15 years of experience, I've built my business on a foundation of integrity, passion, and an unwavering commitment to quality. Every wedding I capture is more than just images and video — it's a story of connection, joy, and celebration. My goal is to preserve those genuine moments with artistry and care, creating timeless memories you'll cherish forever.

# *engagements*

Your wedding day is one of the most important days of your life. Making you feel comfortable and looking your best is what I strive for. Shooting an engagement session not only gives you a beautiful set of pictures to cherish, but also allows you to experience what your photography will be like on your wedding day. I love capturing the “in-between” moments, the candid shots that bring out the raw emotions surrounding your special day. These are the moments that make up your story. So give me a shout. Let's be friends and get to know one another!

# *what to expect*

I'M THERE TO CAPTURE THE JOY, LAUGHTER, EMOTION, AND BEAUTY OF YOUR WEDDING DAY. I LOVE IT WHEN MY COUPLES RELAX, GO WITH THE FLOW, AND ENJOY THEMSELVES.

Over 1000 incredible couples across South Africa have trusted me to capture their special day — the moments and memories they'll treasure forever. I bring all this experience to your wedding, knowing exactly how to make you feel comfortable and relaxed, especially if you're a bit nervous in front of the camera. I'm here to support you every step of the way. Whether you're celebrating your big day at a beautiful venue in Durban, a rustic farm or venue in the KwaZulu-Natal Midlands, or a scenic spot along the Garden Route surrounded by close family and friends, I'd be honoured to capture the start of your journey together.
